## FERNIE ALPINE RESORT AND KICKING HORSE MOUNTAIN RESORT BIKE PARK

### Important Information about the Bike Park

- Use of the Bike Park involves the risk of injury. You control the degree of risk you will encounter in using the trails and features in the Bike Park.
- Do not attempt any of the trails or features unless you have sufficient ability and skill to do so safely. Always ride in control and within your ability level.
- Helmets are mandatory in the Bike Park and protective padding is strongly recommended. Full suspension bikes are recommended.
- The Bike Park is not recommended for first time cyclists, without proper instruction.
- All inexperienced riders under age 12 should have the consent of a parent or guardian to ride in the Bike Park unaccompanied by an adult.
- Downhill riding only. Uphill riding and hiking in the Bike Park is not permitted.
- Be aware of changing conditions on trails and features. It is your responsibility to inspect trails and features before using them.
- Stay off access roads. Stop at all road crossings.

As with many adventure sports, riding in the Bike Park involves the risk of injury, including serious injury, head injury, paralysis or death. The risk of injury increases with the degree of difficulty of the trail and the speed of descent. Although the risk of injury can never be eliminated, the rider can manage the risk through controlling speed and choosing terrain appropriate for the rider's skill and experience. Orientation sessions, lessons, clinics and coaching offered through the Bike Park will also assist the rider in managing the risk of injury.
